You'd Do It Too, Wouldn't You, If You Had \$45,000?

Of course you must not lose sight of the fact that Mutt and Jeff got hold of \$45,000 a couple of days ago. They are at the Waldorf and lost nothing but gold fish.

Today's Market Reports

WOOL MARKET HOLDS FIRM IN BOSTON

Boston, April 3.—The Commercial Bulletin will say tomorrow:

"Larger supplies or lower prices for the wools on hand in Boston this week would undoubtedly have made for a larger business, but prices have been firmly maintained on the business actually done which has been principally in medium and fine foreign carded and some fine Australian wools."

Contracting in the west has been rather intermittent, but some wool has been taken and for best fine medium Montana clips as high as 19 cents has been paid."

The Metal Markets.

New York, April 3.—Copper firm: New York, April 3.—Call money steady, 1 1/2 per cent. Time loans weak; 60 days, 2 1/2%; 90 days, 2 1/2 per cent; six months, 3 per cent. Mercantile paper, 3 1/2-4 per cent. Bar silver, 3 1/2 per cent. Mexican silver, 4 1/2 per cent.

Dismal Day in the NEW YORK MARKET

New York, April 3.—Without the support of buying by the shorts, price fell away and much of yesterday's advance was canceled in the morning. Prices were stable and pressure from professional sources gradually increased.

Progress of re-organization plans for Rock Island and Western was reflected in the wide and variable changes in the securities of these roads. Rock Island stocks and collateral bonds made new low records. When the market opened, rates were 15 1/2¢ to 16 1/2¢, as compared with 54 1/2¢ at the close of the last week fell back 2 points. State, municipal and the more conservative railroad bonds showed improvement. Bonds were irregular.

Selling orders did not follow prices down and the market in the main was steady in the afternoon. Decline in copper and quotation abroad were largely responsible for the speculative selling of the copper shares.

The market closed weak. Stocks were liberally supplied as the session ended, short selling being more active than at any other period. Canadian Pacific, 2 and the customary lead, 1/2 point. Closing prices on the more important stocks were:

Amalgamated, 76 1/2. Sugar, 100 1/2. Atchison, 96 1/2. Reading, 165 1/2. Southern Pacific, 94 1/2. Union Pacific, 159 1/2. Steel, 62 1/2. Steel preferred, 110 1/4.

Chicago Grain.

Chicago, April 3.—Continued reports of the presence of green bugs in some of the fields in Oklahoma brought about a further advance today. Wheat, average prices varied a shade off to 14 1/2¢ to 15 1/2¢ with a consequent rise all around. The close was weak at the same of last night to 14 1/2¢ to 14 1/4¢ lower.

Lowness of oil offerings made corn firm. The market opened unchanged to 1 1/2¢ higher and after a little reaction showed a moderate rally. The close was unsatisfactory, the same as last night to 1 1/2¢ higher.

Oats, although dull, developed strength with other grain.

First sales of provisions ranged from last night's level to 5 cents higher, with later transactions maintaining the up turn.
